

FLT First Call Pest Control Pest Spraying Schedule

Pest Control Spraying is done at our townhomes on the **2nd Tuesday of every month.**

On the “ODD” months, (January, March, May, July, September, November), the spraying is done at the **FRONT** of the townhomes.

On the “EVEN” months, (February, April, June, August, October, December), the spraying is done at the **REAR** of the townhomes, for residents that have not locked their patio gates, which prevents access.

On the 2nd Tuesday of every EVEN month, unlock your patio gate to permit pest spraying.
